Project Design Phase-II

Customer Journey Map

Date	14 October 2026	Team ID		Project Name	Metro Ticket Generating System

The journey map follows a passenger from first hearing about online booking (Entice), through opening the Service Portal (Enter), filling the form, seeing the fare and getting the QR ticket (Engage), travelling with the QR (Exit), to tracking the booking afterwards (Extend). Each column shows the steps, interactions, goals, positive and negative moments, and the opportunities that shape the future scope of the project.
